## CAMPFIRE

The boys in my family have always had a tradition of going camping as the weather just starts to change; a sort of last hurrah of summer for us. This year was going to particularly hard after the loss of both my father and brother. Since it was just me, I was starting to think about not going, but then my best friend, Josh, stepped in and offered to go with me. He told me it'd be good to get my mind off things for a while, and that keeping the tradition up might be a good way to honor their memory.

I reluctantly agreed to go, even as he announced when we were leaving that he was bringing his girlfriend, Selene, with him. The drive up was awkward and nearly silent, with me fuming and my buddy and his girl either reading how mad I was or just giving me space. In either event, by the time we got up to the site, I had managed to cycle through most of the rage. And I must give it to Josh; he was right. The first breath of mountain air felt refreshing and calming in ways I hadn't thought possible.

### *Zoey's one of my faves!...*

*Let me start my email by saying that I'm a big fan of your 50+ and 40+ magazines. I've been buying them consistently over the years ever since I turned fifty, some six years ago. I have followed many of the women, and I do mean women, as they seemingly have transitioned from one genre to the other. That's pretty cool in my book. I have seen Zoey Holloway in both sets of issues, so I hope she turned fifty as I did. Did I mention that she's one of my faves. I love everything about her, from her long black hair, to her beautiful face and body, to her amazing fucking skills. I do enjoy the fact that she's bisexual because I like seeing fuck both guys and girls. Especially when she's hooks up with younger guys and their big hard-ons. And when she's hooked up with one or two younger ladies. Now that's hot stuff and enough to make you fall in love all over again.*

*— Harold, F., Raleigh, NC*

By the time everything was set up, I was back to more or less normal.

As the afternoon drifted into evening, we started the small campfire and got started just talking. And I started thinking about the things that my dad and brother would talk about on these boys' trips. Sports, projects at home, overall life, and ever since I was a teenager, our sexual conquests. All three of us, apparently, had active sex lives and struggled to settle down, and the annual camping trips were where we went to discuss and brag about them. It was then that I realized how long it had been since I'd gotten any.

The night grew quieter and colder, and I watched as Josh and Selene snuggled up next to each other on the log-bench with feelings of pain rising once again. I went quiet and started to think about turning in when Selene asked if I was cold. I lied, but she suggested that I sit with them anyway.

I'm not sure if it was the desire for company or her soft smile that won me over, but I sat next to her instead of going back to my tent. We sat in the quiet night for a while, all

of us just drifting in and out of ourselves. I didn't realize how tired I really was until my head rolled over onto Selene's shoulder. It almost seemed like that was some sort of signal, because the next thing I knew, her arms were around me, and she was gently, but passionately, kissing me.

It took a minute or so of almost mindless making out before I realized what was happening, and I quickly pulled away, looking around for some sort of help from Josh. But instead of anger, I spotted a wide grin as his girlfriend leaned back to start making out with him. I watched for a second, confused as she seemed to give him as much passion as she gave me. When they finally broke apart, she returned to wrap her arms around my neck, this time pulling herself all the way up and sitting (and grinding) on my growing crotch. "We wanted you to be able to relax this weekend," she whispered as she leaned in to kiss me again.

Josh wasn't objecting, in fact, he was watching with a mischievous look of almost glee to see his girlfriend making out with another guy. At that point, whatever resistances I had quickly fell away. I let my hands drift up Selene's caramel flesh, finding the bottom of her shirt and meeting her bright eyes before pulling her top up and over her head. She

was well formed, with a good shape forged of muscles, and boobs that pressed into my chest through the black sports bra she wore. A couple more kisses and she pulled that away too, raising herself up so my eyes could get a good look at her released chest. Behind her, Josh took off his shirt, revealing a well-muscled torso, and Selene smirked as she looked back to give her boyfriend some attention. That gave me the moment I needed to get my own shirt off, and when Selene returned to me, she was quick to work on my pants. She released my long, thick cock and quickly went down on it, getting it nice and wet before standing up between Josh and me, displaying her completely nude body in the firelight.

That's when Joey leaned over and offered me first dibs on which hole I wanted. I looked at him in surprise, but with how my dick jumped, she made the decision for me that she wanted me in her wet pussy. Josh gave her a kiss and went around the other side to feed her his own cock, leaving her ass in the air for me to take.

I slid slowly in, taking my time and taking in the feeling. She was very wet, like she'd somehow been waiting for this moment. For me, it just meant that I slid in and out easier, quickly picking up the pace, which she mirrored with Josh, taking his dick as hard as I pounded her. It didn't take me long before I burst deep inside her to a loud scream. Moments later, as I was still filling up her pussy, she

started gagging as Josh erupted in her mouth.

After that, we all went to their tent to share body heat... and Selene. Between us, Josh and I probably filled her holes with a dozen loads over the weekend. And by the time we were headed back home, an entirely new tradition seemed to have formed.

— Edwin J., Virginia

### **STORM DELAY**

A few weeks ago, I was supposed to take a flight. It was for a small vacation and to go back home, and I hadn't fully been looking forward to it, so when they came on and said that the flight was delayed, I was more irritated that we had to wait than upset about the flight. Instead of joining the almost immediate long line in front of the counter at the gate, I went the other direction, figuring this was as good a time as any for a good drink.

I passed the first couple of bars, wanting to avoid my own fellow travelers if I could, and ended up in a crowded sports bar in the central part of the terminal. I found a seat along the bar and ordered a drink with an open tab, figuring I might be there for a while. The crowds passed through quickly, with so many flights and destinations, very few seemed to stay for very long, which was just fine with me.

The bartender had just

brought me my second drink (and my app indicated an even longer delay) when this bombshell gorgeous blonde sat down next to me.

She kept her posture tall and fixed, her legs neatly crossed as she adjusted the blouse that looked comfortable enough for the flight but was still tight enough that I could see her nipples poking through. Her makeup was meticulously applied and highlighted her beauty that caught me off guard in such a place.

I took a chance on starting a conversation, and it wasn't long before I realized that, while she wasn't going where I was, we were both delayed by the same storm that seemed like it was growing as it moved across the country. Our eyes kept glancing over at each other, and it was clear that we were doing well distracting one another.

We got through another drink talking about a little bit of everything until she said she had to go to the bathroom. I shrugged and figured the good time was over when she grabbed my hand and started pulling me through the airport until she found a family bathroom.

She quickly stepped inside, taking me with her, and locking the door. She looked flustered, like this was some sort of whim experiment and now that she got me inside, she was wondering if it was a mis-

take. I took the signs and slowly lowered down to kiss her. In that moment, she changed. She went from nervous to excited and started taking some of the control.

She undid my shirt and started letting her fingernails range through the fur on my chest, pushing me back against the wall as she continued to make out with me. Meanwhile, my hands found their way back to her ass, which was round, plump, and firm. As I squeezed it, she pulled back far enough to lower her pants and underwear, giving me direct access to her smooth backside flesh.

I smirked at her and

quickly turned her around to press her up against the wall. I grabbed her hands and held them high above her head with one hand while the other moved to tease her exposed pussy.

At first, it almost seemed like it was trying to squirm away from my touch, but once I got it, her box relaxed and let my fingertips play around the lips and even inside briefly, leading to a rough gasp that I quickly wanted to duplicate with my larger tool. I undid my pants and pulled out my rock-hard cock, waving it around a couple of times to tease and tantalize her.

When I slid myself in, I went slow at first,

watching every agonizing second of pleasure race across through her body, even as surges of energy rushed through my own.

I went about halfway before pulling back, going a little deeper and a little faster with each thrust, with each surge of energy. And within a minute, I was pressing her hard against the wall, giving her rough, but fiery kisses while my dick seemed to move on autopilot, ripping her up. My kisses were the way I was able to keep her from screaming, but it was a close call more than once with how loud we were both managing.

It was a few minutes before I watched her eyes go wide with a fresh wave of pleasure and I allowed myself to erupt, as helping after helping surged through my sated cock and deep into her.

We gave each other a minute or so before leaving the bathroom and heading in different directions, back to our own flights and lives, the memories of the storm all that remain for either of us. It'll be a memory I'll cherish for quite a while.

Darla's been teaching GED courses for a long time now. The best part is the older men looking for love just as much as they're looking to learn. It's not hard to tell them the feeling is mutual. Today her outfit is full of lace, and satin that says, "I'm yours, fuck me." From there it's just a matter of meeting after class, and introducing her new lover to the

silk panties she's been saving for them. After that, it's nothing but a rather in-depth "Study session" in the classroom for the rest of the night.

Merilin heard that younger men can't resist the temptation of an older woman acting like a horny teenager. So she went all out and bought the sexiest little get up she could find. That set the mood to get the message across to him: that she's looking for a long and slow night. She then gets herself all prepped to take his big cock. She knows how to hit all his

erogenous spots to make him moan. Now, she wonders if she can contain herself until her man shows up!

*I DROVE DOWN TO KISSIMMEE TO VISIT MY OLDER BROTHER. HE HAD TO TELL ME HIS FRIEND MORT'S STORY.*

The bar was dark, reflecting Mort's mood perfectly.

He had been drinking cold draught beer since getting off work at five; now it was almost eight-thirty and he hadn't had anything to eat since lunch. The kitchen stopped serving food at nine. They had good food, standard bar fare. Still, Mort wasn't all that hungry. Another mercilessly hot day—record highs for May—had killed his appetite. But he should eat. That was the sensible thing to do, the smart thing. Otherwise, come tomorrow morning, he was going to have an awfully bad hangover. And there was nothing worse than working in the heat with a hangover.

The bar had been his second home ever since he and Donna had parted ways. There was nothing else to do. He hadn't even been much of a drinker while they were together. That had changed quickly. Donna had given him a reason to drink.

Six weeks prior he had come home early to find her getting it on with the gutter man; not content with his line of expertise, the gutter man had decided to try his hand at plumbing, laying some pipe to Donna who, judging from the sounds emanating from her gaping mouth, had enjoyed every rigid inch.

"I think I'll have a cheeseburger," Mort told the bartender.

The bartender didn't ask him if he wanted another beer.

It would've been a dumb question.

Mort sat behind the wheel of his truck, watching the ornate electric gate. The bars parted slowly,

testing his already thin patience. He had certainly had worse hangovers, but this morning's was more severe than he had anticipated. Last night's cheeseburger had failed him; perhaps he should've ordered a double, more meat to soak up the alcohol.

Now he drove on through, regarding nice houses and meticulously maintained lawns. He had been called to this gated community before. The neighborhood's close proximity to the bay made it vulnerable to snakes and gators. This morning's call, his first of the day, involved the latter.

Mort hoped it wasn't a big one.

A monster gator, even one of medium size, would mean summoning help and he wasn't in the mood for teamwork. His fellow animal control officers were nice enough fellows, but he was a loner by nature, especially after a night of heavy drinking. Mort could handle a small one all by himself, easily. He had done it before, countless times. The dispatcher hadn't given him much to go on; at least no info as to the gator's size. The homeowner who had called it in had said that the thing was in her swimming pool. Mort had seen that before, too.

He found the house easily enough, groaning as he climbed out of his truck. A dog was barking in the backyard. In all likelihood this meant a small one. A big gator would've already eaten the dog for breakfast.

The woman met him in the driveway. Top shelf stuff. She wore a bikini top with matching sarong. A long braid of chestnut hair draped over her shoulder.

*Distracted by the dog, the gator was a relatively easy mark. Mort straddled its back, wedging his knees tightly behind the creature's front appendages, then clamped its mouth shut with both hands*

Mort wondered what was under the sarong . . .

"It's in back," the woman told him.

She was uncharacteristically composed. Most of these rich women, the trophy wives of doctors and lawyers and such, reacted with hysterics when a critter invaded their perfectly ordered world. This was a refreshing change of pace.

Mort retrieved his snaring pole and followed her to the side of the house. She led him down a decorative rock path bordered with tropical plants. A canopy of trees provided shade. The barking became louder and louder as they neared the pool.

"Oh, my God!" The woman's composure evaporated. "No, Franz! No! Get away from there!" She clapped her hands as the gator, having climbed out of the pool in her absence, opened its jaws and hissed at her shorthaired dachshund. It was a poolside standoff. Mort smiled. He had always liked wiener dogs. Franz was feisty.

And in danger.

It was a small gator. Eighty pounds at the most. Mort wouldn't need the snaring pole. He set in on the ground and sprang into action . . .

Distracted by the dog, the gator was a relatively easy mark. Mort straddled its back, wedging his knees tightly behind the creature's front appendages, then clamped its mouth shut with both hands. Maintaining a viselike grip with one hand, he used the other to produce a roll of waterproof tape from his back pocket. In just a few seconds he had wound the tape around the gator's mouth several times, effectively sealing it shut. Next he pulled its front appendages back and taped them to the side of its scaly body. Then it was just a matter of hoisting the lizard off the ground and carrying it to the cage in the bed of his truck. The woman followed Mort at a safe distance as he accomplished this, showering him with profuse thanks as he prepared to leave.

"That was amazing," she said. "You made it look so simple."

"Practice makes perfect," Mort told her.

"I'm Lisa," she told him.

"Mort," he replied.

"Do I owe you anything?"

"Not a thing. Your tax dollars covered it."

"Well," Lisa said, "would you accept a gratuity?"

"Gratuity?"

She smiled. "How about dinner tonight? I love to cook. We could even take a dip. Do you like to swim?"

"I love to swim."

"Then it's settled. How about eight o'clock?"

"See you then," Mort said.

Clean shaven and freshly showered, Mort arrived fashionably late. He didn't want to seem too eager; that bespoke a level of desperation and desperation was a major turnoff. A girlfriend had told him that once. He couldn't recall which girlfriend; there had been quite a few in the years before Donna.

Lisa came to the door in the same outfit she had worn that morning. "You forgot your pole," she greeted him.

"I know," Mort replied. "I almost came back for it several times today, but I figured it was in safe hands."

"I was worried." Lisa welcomed him inside. "I thought you might need it."

She had already lighted the grill and marinated the steaks. They ate by the pool. Lisa drank white wine. Mort opted for beer. Franz frolicked in the tropical plants.

After dinner Mort insisted on helping with the dishes. Lisa had other ideas. "The dishes can wait," she told him. "I can't . . ."

He leaned against the sink. Lisa knelt and untied his drawstring shorts, licking her lips as she

peered at his cock. She blew him without the aid of her hands, whipping her head back and forth with varying speeds. Her lips wrapped around his turgid member, she pumped him with expert skill. They

maintained eye contact the entire time. Lisa's were green, the rarest eye color. Mort had recently read that somewhere.

Lisa sucked him sloppily, moaning and groaning around his prick. Mort wondered if she was married. She wasn't wearing a ring, but that hardly mattered. He hadn't seen any framed photographs of a husband. Not that that mattered either.

Over dinner she had mentioned working at some gift shop at the municipal museum of art. Could a gig like that pay for a house like this? Mort doubted it. Then again, what the hell did he know? He was an animal control officer, a glorified dog catcher with a high school diploma.

Things progressed naturally. Lisa stood, wiped her mouth with the back of her hand, and headed to the bedroom. In the hallway she untied her bikini top and let it fall to the floor. She had a lean back, lean and slightly sunburned.

A four poster canopy bed dominated the bedroom. Lisa untied her sarong, letting it fall just like her top; she wore nothing underneath, nary a stitch. Mort admired her narrow hips, the tuft of hair between her legs. Her tits were smallish, the nipples large and brown and turgid.

Lisa stood there; she rubbed her pussy, waiting for him to make a move. Mort pushed her onto the bed. She didn't have a chance to spread her legs before he had pushed them apart. He used his hand to guide it home, entering her slippery crevice with a grunt. He humped and pumped, sticking it to her none too gently. She responded as he had hoped, raising her legs to allow deeper penetration. Mort skewered her in earnest, plunging his rod forcefully, banging her good and proper.

This was a first for him, balling a citizen who had required his professional services. Of course in his line of work he had encountered his share of attractive women. But none of these had propositioned him with the boldness of Lisa. Some of them flirted, sure, but that's as far as they were willing to go. Cockteasers, he thought disdainfully.

Presently Mort withdrew and, stroking his cock slowly, told Lisa to flip over. She assumed the doggy position, raising her tight ass for his inspection. Mort leaned forward, pressing his face to her cooze. He licked her gash, probing and prodding, sucking and nibbling, making her shiver with excitement.

Then he raised his head and plunged his dick into her cunt. Holding her narrow hips with both hands, he thrust his pelvis, boring deep with each stroke.

Lisa's ass was small, yet soft. It jiggled as he tapped her poon. The sound of flesh slapping flesh filled the bedroom, reverberating off the tastefully decorated

walls, spurring him to pound her with everything he had. Lisa yelped and wailed and told him to fuck her harder.

It wasn't long before she came, shuddering with delight seconds before Mort pulled out and dumped a load of cum on her ass. They lay on the bed, beneath the diaphanous canopy, for several minutes. Silence reigned; until Franz started to bark.

"We left him outside," Lisa said. "He wants in."

"How about that swim?" Mort inquired. "I haven't been skinny dipping since high school."

It was better than he remembered, far better.

Thanks to Lisa.

Mort felt rejuvenated. Sex and swimming was a winning combination. Lisa had asked him to spend the night, but he had politely declined. He had something to do, something very important.

Now he drove his truck to Donna's house. The gutter man's van was parked out front. The lights were off. Sleeping like babes, he mused. He parked on the street behind the van. Then he walked around and lowered the tailgate.

The alligator was still in its cage. Mort was supposed to have let the thing loose in its natural habitat. Donna's backyard didn't exactly qualify, but what the hell . . .

Come morning they were in for a rude awakening.

I want to give you head till you're begging me to stop. I'll do anything you want with my mouth; it's yours to use as you like. I'm usually pretty reserved around people, but I love letting my wild side loose in the bedroom. Once I'm wet and ready, go ahead and do me to your heart's content. I can take any position you want, as long as it means I can have your thick cock inside of me.

# Renata

I might sound a little desperate for cock, but getting off by myself doesn't do it! I like a down and dirty fuck – more than just one round. Let's get drunk off our pleasure!
